SUPERMARKETS

MARIANAS MARKETS, one of our longstanding clients, has been with us for over 10 years. Through our comprehensive 360 advertising approach, we have played a key role in their growth and success. When we first started working together, they had 4 locations, and today, we are proud to celebrate the opening of their 6th location. This is a testament to the growth our clients achieve by partnering with us long-term. We have restructured their communication, developed their re-branding campaign, and implemented strategies that humanize the brand and boost profitability. Additionally, we have collaborated on their charity campaigns, including Mariana's Charity, by creating impactful collateral and guiding their outreach efforts.
